Simple baling of big volumes

High capacity

Orwak 3410 offers high capacity and simple handling to the highest operator safety. The baler has a generous loading aperture and is suitable for customers such as large industries and supermarkets with big amounts of packing materials.

Dimensions for tight floor space

- less than 16,2 sq. feet.

Switch between LP and HP

Compacting cardboard or plastic foil? A switch conveniently located on the side of the machine makes it simple to alter the setting from High Pressure for cardboard to Low Pressure for plastic foil.
