3-phase 3x208 V, 60 Hz or
3-phase 3x440 V, 60 Hz

The king-size baler with a huge appetite

A load of cardboard boxes up to 60" wide is compacted in seconds! You feed Orwak 3810 safely and conveniently and in return you get valuable storage space and cost reduction due to increased recycling.

Generous loading aperture

The King-Size Baler's extra wide mouth can swallow large volumes of recyclable materials.

Sliding door and autostart

For even easier and faster loading Orwak 3810 has a sliding door that opens automatically after each cycle. Orwak 3810 is also equipped with an autostart function, which allows the baler to start compacting the material as soon as the door closes.

For more info. contact us or visit our website www.orwak.us

We reserve the right to make changes to specifications without prior notice.

Bale/bag/bin weights are dependent upon material type.
